– November 5, 2024. Presentation on Andrological Surgery for

residents Urology. Jessa

Hospital.

– November 10-11, 2024. Presentation “ Patient selection and

Preoperative optimization” Semi

live surgery ”Adjunctive manoeuvres in Penile Prosthesis Insertion” and

semi live surgery

“Surgical tips for successful IPP surgery”. Performing 2 live surgeries

on IPP on day two.

First Qassim Penile Implant Workshop. Qassim . Saudi Arabia.

– November 12, 2024. Presentation “Andrology for non-medicals”.

Zonhoven.

– November 29-30, 2024. Presentation “Step by step implantation of

penile prosthesis with

penoscrotal technique”. Panelist resident’s corner : meet the experts.

Eurasian masterclass on

penile surgery. Istanbul. Turkey.

- December 18, 2024. Lecture “Luts and erectile dysfunction in the ageing male”. Scientific meeting GP’s Hasselt.
- January 25, 2025. Elaut contest Belgian Association of Urology. Jury member. Tienen.
- January 25, 2025. 8th Annual UCI Advanced International Men’s Health Course. Lecture “How I do it: ContiReflex”. California. USA.
- February 11, 2025. “Male Reproductive System”. Hearing college faculty of medicine Hasselt University.
- February 20-22, 2025. Annual ESSM meeting. Presentation on “Dual implantation of inflatable penile prosthesis and artificial urinary sphincter” (deferred live surgery); presentation on “ Surgical academy and dry lab update”; presentation on “Early complications after penile implant surgery” (award best surgical presentation); presentation on “Penile length after penile implant surgery is determined by stretched penile length before surgery”. Vienna. Austria.
- March 7-8, 2025: National Polish Urology meeting. Presentations: “ED surgical treatment easy and challenging surgery”. “Double implant AUS and IPP-single or double procedure”. “Artificial Urinary Sphincter after urethroplasty-how to minimize the risk of complications”. Warsaw. Poland.
- March 10-11, 2025. Masterclass performing penile implant surgery Gentofte University Hospital. Copenhagen. Denmark.
- March 21-24, 2025. Annual meeting EAU. Lecture on “Update on the Phoenix registry on penile implants”. “Surgical management of Peyronie’s disease”. “Circumcision, frenuloplasty and preputioplasty”. “The buried penis”. “Early postoperative complications in penile implant surgery: A multicentre study” Madrid. Spain.
- April 10-13, 2025. Presentation: “Penile prosthesis placement in revision surgeries: challenges and practical recommendations”. “Complications and managements in penile prosthesis surgery: a surgeon’s guide”. Third andrology congress. Antalya. Turkey.
- May 5, 2025. Moderator Webinar ESSM; Presentation “How to set up a penile centre of excellence”.
- May 8, 2025. Presentation (live stream) “Is currently clear when using a sling or an artificial urinary sphincter in male stress urinary incontinence”. Uro-Prosthetic surgery day for young urologists. Madrid Spain.
- May 17, 2025. State of the art lecture “Improving surgical outcomes of IPP: what did I learn

in 30 years of penile implant surgery?”. Thessaloniki, Aristotle University. Fifth Panhellenic Urology meeting. Greece.

- May 22-23, 2025. London Masterclass 2025. The meeting of worldwide experts in erectile dysfunction. Organiser of the meeting and moderator for whole meeting. Several lectures on penile implant. London. UK.
- June 12, 2025. Moderator webinar on penile implant surgery in Surgical Academy program ESSM.
- June 13, 2025. Tutor (first surgeon) difficult penile implant cases in Radboud University Hospital Nijmegen. The Netherlands.
- June 14, 2025. Taurus 2025 meeting. The 5th Turin andrology, urology, reconstructive, robotic advanced symposium. Lecture (deferred live surgery) “Malleable penile implant after Fournier gangrene”. Turin. Italy.
- September 11, 2025: moderator webinar ESSM Surgical Academy, third session.
- September 13, 2025: Middle East Society of Sexual Medicine (MESSM), presentation/deferred live surgery: AMS 1500 double implant/ Tactra malleable implant in patient with Fournier’s gangrene/ mini jupette with IPP for climacturia. Penile Implant Summer School. Cairo. Egypt.
- September 15, 2025: educational session for nurse specialists prosthetic clinic: “Pathophysiology of erectile dysfunction” and “Medical therapy for erectile dysfunction”. Hasselt. Jessa hospital.
- September 24, 2025: “State of the Art in Artificial Urinary Sphincter in Men”. LOK meeting Hasselt. Belgium.
- October 1-3, 2025: Masterclass on Erectile restauration and Peyronie’s disease. ESGURS annual meeting. Presentations “Training Opportunities in Penile Implant Surgery” and “Malleable Penile Implant in patient after Fournier’s Gangrene”. Performing live surgery “Artificial Urinary Sphincter via penoscrotal incision”. Moderator of several sessions. Turin. Italy.
- October 6, 2025: presentation “ Prevention of IPP associated infection, practical tips”. Webinar ESSM.
- October 7, 2025. Jury member PhD defence Leiden University “The potential sensor: towards a novel non-invasive instrument for advanced erectile dysfunction diagnostics”. University Leiden, The Netherlands.

- October 14, 2025: lecture "Male Genital System" 2nd bachelor Faculty of Medicine Hasselt UH.
 - October 16-17: organisation masterclass Hands On prosthetic urology.
 - October 21, 2025: lecture "Erectile Dysfunction as an early sign of future cardiovascular disease". 3th Bachelor Faculty of Medicine UH.
 - October 23-24, 2025. Faculty Masterclass on Penile Implant with lectures and hands on cadaver training. Amsterdam Skills Centre. The Netherlands?
